PROJECTS

Website Development for Natarajan & Co – Ultratech Building Solutions
- Designed and developed a responsive, modern website for Natarajan & Co using React and Tailwind CSS. The site features an about section, product showcase , contact details, and a footer, ensuring a seamless user experience. Successfully deployed the website on Hostinger

  🌐 **natarajanandco.com**

Ahmed Paint Traders - Website
- Built a modern, responsive website for Ahmed Paint Traders, Karaikudi with React.js & Tailwind CSS. Features include an About section, animated product showcase, contact & footer sections, and fully responsive design. Deployed on Hostinger! 🌐

  🌐 **ahmedpainttraders.in**

Keylogger Application
- Develop a keylogger application to capture and log keystrokes on a computer system. Focus on understanding input/output operations, handling user permissions, and ensuring data security.
