## PROFILE

Passionate Software Developer , Proficient in React, Tailwind CSS, JavaScript, with hands-on experience in building responsive and user-friendly applications. Eager to learn and apply technical skills to real-world projects, with a passion for problem-solving and continuous improvement.

## INTERNSHIP

**Hazhtech Solutions  |** *Tirupur*  **(Now)**

FullStack developer Intern  [6 Months]

- Worked as a Full Stack Intern using MERN stack, Next.js, and Tailwind CSS to build and maintain responsive web applications. Gained hands-on experience in both front-end and back-end development in a collaborative environment.

**APOLLO IT CORPORATE  |** *Chennai*  **(July – Aug 2024 )**

Web developer Intern  [1 Month]

- Developed a dynamic intranet website for Apollo Hospitals, implementing an advanced admin panel for unit management, editable URLs, and seamless data handling, enhancing operational efficiency.

**Magnion Technology Factory  |** *Chennai*  **(Feb – July 2024)**

Graphic designer Intern  [6 Months]

- Create visually appealing marketing materials using Canva and Adobe Photoshop. Worked closely with customers to ensuring the expected final products, which improved the overall user experience.

**Plus 91 Ultimate Cinemas  |** *Chennai*  **(May 2023)**

Digital Marketer Intern  [15 Days ]

- Assisted in various digital marketing initiatives, gaining proficiency with tools and analytics to measure campaign effectiveness.

## PROJECTS

### Website Development – Real Time Projects

- Designed and developed responsive business websites using React and Tailwind CSS. Implemented key features such as about section, product showcase with React components, WhatsApp inquiry, and contact/footer sections. Used GitHub & Netlify for preview and deployed on Hostinger.
